PROGRAM FOR PARENT-TEACHER ASSOCIATIONS FOR SEPTEMBE

The Programs given from month to month require the service of three members of the association for each meeting. They develop home talent, at the same time providing papers of educational value in child-nurture. They ensure a high standard for the season's meetings, and awaken wider interest in child-welfare as the members learn of the movement throughout the world.

FIRST TOPIC—President's Desk—Program Number One, Page 25.

SECOND TOPIC (To be assigned to another member).

What Parent-Teacher Associations in other States are Doing.

THIRD TOPIC (To be assigned to third member).

Current Events in Child-Welfare

List of Loan Papers in Child Nurture suitable for programs may be secured by sending 3 cent stamp to National Congress of Mothers and Parent-Teacher Associations, 1314 Mass. Ave., Washington, D. C.

**Have you Contributed to National Congress of Mothers United Service
Club for Enlisted Men—Cooperating with War Community Service**

New Headquarters National Congress of Mothers and Parent-Teacher Associations, 1314 Massachusetts Ave., Washington, D. C. Dedicated to United Service Club for Enlisted Men, During the War—and as long as necessary thereafter.

**Will You Do for these Boys in or near Washington What You Would Like
Some Mother to do for your Boy Wherever He May Be?**

IS YOUR BOY AMONG THESE ?

Over 200,000 enlisted men of the army and navy are stationed in the vicinity of Washington. **They come from every state of the Union. Mothers and fathers of every state are therefore directly concerned that in Washington these men may have the hospitality of mothers, home influence and good lodging at moderate cost.**

Thousands more of them are in Washington than can receive such hospitality and comfort, for Washington people are taxed to the utmost to meet the demands that war conditions have brought upon them.

The National Congress of Mothers has taken upon itself the provision of a United Service Club for the comfort and pleasure of these boys from ever state, and in any branch of the service.

It has dedicated to this great patriotic use its new headquarters for the period of the war

and recontruction, reserving only necessary office room for its national work for child welfare.

To meet the demands of its great work for home and for country the National Headquarters Committee and Army and Navy Camp Committee have purchased a large and spacious mansion at 1314 Massachusetts Avenue, and **have secured the co-operation of the War Community Service in meeting the cost of equipment and running expenses of the Club.**

The Congress asks the copöperation of all patriotic men and women in raising the amount necessary to meet the purchase price of the building and for such improvement as will meet the requirements that are demanded.

Mail contributions to WASHINGTON LOAN & TRUST Co., Treasurer Army and Navy Camp Committee National Congress of Mothers, Washington, D. C.
